The Indonesian Catholic Community of Atlanta at Our Lady of the Assumption Church Parish invites you to partner with us at the 2nd annual

“Pasar Senggol (Street Bazaar)- Indonesian Cultural Festival”.

The first PS event in October 2008 proved to be a huge success.

Crowds were estimated to exceed 1000 people, all food sales and dinner seats were sold-out.

I have enclosed an array of menu of opportunities for your business to showcase its support for this blockbuster cultural event.

This festival of Indonesian cultural food and entertainment is currently being promoted throughout the Brookhaven and metro Atlanta area. Advertising will occur at all area churches in Brookhaven, all metro Catholic churches, metro restaurants and Brookhaven shopping centers. Area restaurant vendor opportunities have been received well and anticipated.

Join us in what promises to be an exciting cultural tradition, as we transport the community to their tropical dreams.

Please call today to discuss how we may highlight your business and charity in this event.
